DRAWING ADDITION FOR APPROVAL BY EXAMINER

United States Patent and Trademark Office
P.O. Box 2327
Arlington, VA 22202

Dear Sir:

Prior to examination on the merits in the above-referenced application, please amend the application as indicated below.

IN THE DRAWINGS:

Applicants propose to add Figure 5, as attached hereto.

REMARKS

Applicants propose to add Figure 5A, as attached, to the application. Figure 5A is a cross section taken along lines 5A-5A of Figure 4. Figure 5A is described in the application as filed (*see, e.g.*, paragraphs 17 and 36-38), but was inadvertently omitted from the filed papers.

Applicants respectfully submit that the figure adds no new matter, but merely depicts that which was readily apparent from and fully supported by the original application as filed, including Figure 4 and the sections of the specification noted above. Accordingly, Applicants

respectfully request entry of the amendment. If approved by the Examiner, the drawing will be included in a later submission of formal drawings.

In view of the foregoing amendment, Applicants submit that the application is in condition for examination on the merits and respectfully request the same.

Attached hereto is a separate page with the Figure 5A, proposed for addition herewith.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
